Stachó, L.L.; Zalar, B.

On the norm of Jordan elementary operators in standard operator algebras.

(English)

Publ. Math. 49, No.1-2, 127-134 (1996).

<http://www.math.klte.hu/publi/index.php?p=1>

Summary: We establish a lower estimate for elementary operators of Jordan type in standard operator algebras.

Keywords : elementary operators of Jordan type; standard operator algebras

Classification :

***47B47** Derivations and linear operators defined by algebraic conditions

47A30 Operator norms and inequalities

47L10 Algebras of operators on Banach spaces, etc.
