

## ANNOUNCEMENT

The Polish Mathematical Society and Ericpol Telecom award annually

### **The International Stefan Banach Prize**

#### **for a Doctoral Dissertation in the Mathematical Sciences**

In 2011 the prize, funded by Ericpol Telecom, will be worth 20 000 PLN<sup>1</sup>.

Eligible candidates must have completed a doctoral dissertation in the field of mathematical sciences, based on which the author obtained a doctoral degree in the years 2008-2010 at an institution located in one of the following countries: Poland, Belarus, Czech Republic, Estonia, Finland, Hungary, Latvia, Lithuania, Norway, Slovakia, Sweden or Ukraine. The submitted dissertation must be originally written in Polish or English, or its results should at least have acceptance status for publication in these languages. Dissertations can be submitted only by their authors or dissertation advisors with author's written consent. Dissertation applications must be submitted by January 31, 2011 to the following address: *Polish Mathematical Society, ul. Śniadeckich 8, PL-00-956 Warszawa, Poland*. A submission should include:

- a paper copy of the doctoral dissertation and an electronic copy (pdf format),
- a paper version (copy or printout) and pdf-files of papers presenting dissertation results already published or approved for publication (together with approval confirmation),
- a recommendation letter from the doctoral dissertation advisor,
- an application form (available at [www.banachprize.org](http://www.banachprize.org))

The Jury will announce the name of the Winner and the full list of nominees no later than May 31, 2011. The Jury is authorized to split the prize between the Winner and the other nominees. The Prize will be officially presented during the Israeli – Polish Mathematical Meeting, to be held in Łódź, September 11 – 15, 2011.

For complete Prize Rules and more information see: [www.banachprize.org](http://www.banachprize.org).
