

# Finite Geometry Workshop

University of Szeged

A four-day workshop that brings together experts in the fields of finite geometry, Galois fields, cryptography, coding theory, and combinatorics.

**Claude Carlet**  
University of Paris,  
University of Bergen

**Vedran Krcadinac**  
University of Zagreb

**Giuseppe Marino**  
Università di Napoli  
Federico II

**Štefko Miklavič**  
University of Primorska

**Michel Lavrauw**  
University of Primorska

**Irene Villa**  
University of Trento

OCTOBER 23 – OCTOBER 26, 2025

Szeged, Hungary
